EU Directives RoHS 2011/65/EU and 2015/863/EU, regulation (EG) REACH 1907/2006

Dear Sir or Madam,

We confirm that all products manufactured by QSIL Ceramics GmbH meet the requirements of Directive 2011/65/EU and the Delegated Directive 2015/863/EU on the restriction of the use of certain hazardous substances. Furthermore, we certify conformity according to REACH Regulation (EG) 1907/2006, our products do not contain any substances from the SVHC candidate list of the ECHA.

Best regards
QSIL Ceramics GmbH
